

IHM MISSION AND MINISTRY OFFICE AT MARYGROVE

The IHM Mission and Ministry Office at Marygrove serves as a visible anchor of the IHM commitment to the City of Detroit, supporting initiatives that promote education, spirituality, justice, peace and sustainability as well as providing office and meeting space on campus. The Office is located in Madame Cadillac (104 &112). Currently, three IHM Sisters – Barbara Beesley, Gloria Rivera, and Barbara Stanbridge– share the office space.

As founders of Marygrove College, the IHM Community, through its presence on campus, desires to be supportive of initiatives being undertaken by the Marygrove Conservancy and its partners. To that end, the IHM Office staff is available to collaborate with others who work and study on this campus.
